INDEPENDENT FUNCTIONS

-  1. The power headrest lifts your head, neck and shoulders for maximum support.
-  2. The upward lift offers convenient stand assist for getting in and out of the recliner.
-  3. The power lumbar enables you to personalize your comfort.
-  4. The footrest extension allows you to relax and stretch out completely.
-  5. The backrest moves up and down independently to help you find the perfect position.
-  6. **NEW!** Enhanced true-infinite position recline enables the backrest and footrest to move independently so that a variety of positions can be reached including raising your feet above your heart.

STANDARD FEATURES

- NEW!** Ergonomically designed toggle remote has two programmable memory position buttons. Performs the up/down, recline functions. Additionally, it has a convenient USB charger port that allows you to charge your smart device.
- Lithium battery backup ensures your recliner is operational when the power goes out.

1. VivaLift![®] Power Recliners are FDA Class II Medical Devices designed to aid individuals with mobility impairments.
